

Tasmania's Sustainable Living Expo 2008

Tasmanian Environment Centre trading as **Sustainable Living Tasmania** ABN 84 197 085 255

Registration and Tax Invoice (Keep a copy for your records)

Now in its 10th year, Tasmania's **Sustainable Living Expo** showcases green building, energy efficiency, gardening, renewable energy technology, waste reduction and all aspects of sustainable living.

The Expo is coordinated by **Sustainable Living Tasmania**, a community education and resource centre which aims to provide local, realistic and accessible information to help Tasmanians move towards a sustainable future.

Displays will be clustered around major theme areas to make it easier for visitors to find the products and ideas they need. Please choose one theme to help us locate your display where it best fits:

- Building** (eco-design, sustainable materials, builders)
- Renewable energy** (solar panels, solar hot water)
- Home energy conservation / heating and cooling** (energy efficient appliances, insulation, space heating)
- Gardens and food** (landscaping, natives, permaculture, organic food)
- Transport** (hybrid cars, bicycles, alternative fuels, car-pooling)
- Water** (composting toilets, rainwater tanks, grey-water reuse, water saving)
- Reduce/reuse/recycle** (products made from recycled materials)
- Community** (consumer choice, community living)
