

Be part of the pinnacle event in Tasmania that celebrates change and innovation in our community.

The Sustainable Living Expo encourages positivity and community interaction while offering you a mix of sustainable products, fashion, music, art, as well as a wide range of talks and workshops.

An event you don't want to miss which aims to inspire. SLT encourages you to come, to share and see the many wonderful ideas we have for a sustainable future.

Please ring (03) 6234 5566 or email lissa@sustainablelivingtasmania.org.au if you need more information or want to suggest other exhibitors or talks.

Send your registration now!
Closing date is Wednesday
1 October 09.

YOU NEED TO KNOW

We reserve the right to decide whether your exhibit or workshop meets the objectives of the Expo and whether it will be accepted. Your registration and other fees will of course be refunded in full.

Spaces will be allocated on a first in, first served basis. Priority will be given to sponsors and people who have returned their completed forms (with attached business, talk/workshop descriptions) and payment.

Cancellations must be made in writing. No registration fees will be refunded for cancellations after Monday 12 October 2009

**SUSTAINABLE LIVING
TASMANIA**

Now in its 11th year, Tasmania's Sustainable Living Expo showcases green building, energy efficiency, gardening, renewable energy technology, waste reduction and all aspects of sustainable living.

The Expo is coordinated by Sustainable Living Tasmania, a community education and resource centre which aims to provide local, realistic and accessible information to help Tasmanians move towards a sustainable future.

Please choose one theme that best describes your core business

- Building (eco-design, sustainable materials, builders)
- Renewable energy (solar panels, solar hot water)
- Home energy conservation / heating and cooling (energy efficient appliances, insulation, space heating)
- Gardens and food (landscaping, native plants, permaculture, organic food)
- Transport (hybrid cars, bicycles, alternative fuels, car-pooling)
- Water (composting toilets, rainwater tanks, grey-water recycling, water saving)
- Reduce/reuse/recycle (products made from reused / recycled materials)
- Community (consumer choice, community living)
