

Exhibitor Details and Contacts

Keep this programme as a source of valuable information for the future

1. The Tasmanian Environment Centre

102 Bathurst St. Hobart, 7000
Ph 03 - 6234 5566 Fax 03 - 6234 5543
restec@southcom.com

Resurgence Magazine C/- TEC

A community based organisation providing environmental information through its resource library and community education programs environmental books and resources.

Resurgence promises to enlighten and engage you with a lively mix of essays, features and illustrations.

• TecEco Pty Ltd

497 Main Rd, Glenorchy, 7010
Ph.03 – 62728622 Fax 03 – 6273 0010
tececo@one.net.au

Magnesium based Eco-cements utilize wastes, are totally recyclable and sustainable, reduce CO₂, emissions are strong, resistant to chemicals that attack Portland cement and cheaper to make.

2. The Understorey Network

298 Patersonia Rd. Nunamara 7259
Ph/Fax03 – 6399 3593
understoreynet@vision.net.au

Native plant garden designs. Identify which native plants work best in different situations eg. bird attractants, wet, shady, dry, saline in the home garden.

3. Enjo

87 Wentworth St. Bellerive 7018
Ph.03 – 6245 1416 Fax.03 – 6243 0325
kimscott@one.net.au

Fibre based cleaning without detergents, you only need water!. Save 90% of chemicals and 50% of water, save money save time and save your health Two winners; you and the environment.

4. Timber World / Gumpy Homes

PO Box 62. Meander
Ph.03 – 6369 5288 Fax.03 – 63695318
kbooth@tassie.net.au

Kim and Karen Booth. Modular building systems developed to provide cost effective compact living spaces in an environmentally and user friendly kit form. All timber is sourced from plantations

5. Brighton Council

Ph.03 – 6263 0332 Fax.03 – 6263 0313

Display of trial domestic waste water systems. Alternative models for septic systems.

6. Envirocycle Professional Plumbing

PO Box 1042. Glenorchy 7010
Ph.03 – 6273 0755 Fax.03 – 6273 0981

Domestic waste water treatment systems, a one third scale model showing systems processes and design.
proplumbing@trump.net.au

7. House of Straw / Nik Vollmer

Lot 16 Albion Hts Dr. Kingston 7050
Ph.03 – 6229 6900 Fax.03 – 6227 1477
(mob). 0438 296900

Innovative building company building energy efficient strawbale and conventional homes. Strawbale homes are popular due to their low energy consumption and unique designs easily constructed.

8. Nigel Jones

7 Oakleigh Av. Tarooma
Ph.03 – 6227 9097 Fax.03 – 6227 9644
n.jones@bigpond.com

Environmentally appropriate homes, services and surroundings, passive and active solar heating, traditional and alternative forms of construction.

9. The Wilderness Society

130 Davey St Hobart
Ph.03 – 6224 1550 Fax.03 – 6223 5112
tasmania@wilderness.org.au

Trailer display highlighting the beauty and value of the unprotected Styx Valley of the Giants. The tallest flowering trees on earth are being wood chipped for paper in Japan.

10. Cool and Cosy

111 – 113 Howard Rd. Goodwood 7010
Ph.03 – 6272 1699 Fax 03 – 6267 5838

Home insulation made from recycled paper, treated with fire retarding, vermin resisting naturally occurring salts. It will keep your house warm in the winter and cool in the summer.

11. Cool Communities

102 Bathurst St. Hobart
Ph.03 – 6234 5566 Fax.03 – 6234 5543
coolctas@southcom.com.au

An exciting new project designed to reduce the creation of greenhouse pollution by community. The project is finding ways to cut household greenhouse pollution, save money and improve our lifestyles.

12. Community Environment Park

102 Bathurst St. Hobart
Ph.03 – 6234 5566 Fax.03 – 6234 5543
restec@southcom.com.au

Planning group of the Tasmanian Environment Centre is working to establish a community based environmental education and demonstration centre inspired by the CERES site in Brunswick Victoria.

12/57 Sandy Bay Rd.
Battery Point 7004

The Secretary 201 Strickland Ave Cascades 7004

Sharing ideas and interest in creating a eco-village or co-housing project. Absolutely EVERYBODY and their ideas are welcome.

16. Nature Loo

PO Box 676. Riverside 7250
Ph/Fax.03 – 6330 1551
jmansley@tassie.net.au

Two actual Nature Loo waterless toilets on display. You will be encouraged to have a good look and ask lots of questions.
Mob 0418549960

17. Hobart City Council

16 Elizabeth St Hobart 7000
Ph.03 – 6238 2168 Fax.03 – 6224 4344

Energy efficient design guidelines and rebates, guidelines for soil and water management,composting, worm farms and recycling, catchment management.

18. Aurora Energy

21 Kirksway Pl. Battery Point
Ph.03 – 6237 3524 Fax.03 – 6234 1231

Photovoltaics, energy efficiency and heat pumps, information on the government solar rebate program and new metering options.

19. Thermowool

PO Box 331. Nth Hobart 7002
Ph.0418123889 Fax 03 – 9890 9121
thermowool@bigpond.com.au

John Stubbs. Specialising in healthy insulation wool/polyester Ecobatts. Composting toilets. Neptune water filtration vacuum cleaner.

20. Kingborough Council

15 Channel Hwy. Kingston 7050
Ph.03 – 6211 8200
Fax.03 – 6211 8211

Howden Sewerage Treatment Systems, Kingston Wetlands, upgrading water quality. Examples of alternative housing types in the municipality and the new planning scheme & energy efficient guidelines.

21. School of Architecture

University of Tasmania. Launceston
Ph.03 – 6324 3684 Fax.03 – 6324 3557
mathew-parnell@utas.edu.au

Display of student work emphasising environmental design issues including model making, solarscope demo, computer software demonstrations and free student consultations.

22. Nigel Legge Architect

37 Liverpool Cres. West Hobart 7000
Ph.03 – 6231 0442 Fax.03 – 6234 7950
nigellegge@bigpond.com.au

Architect of energy efficient housing and commercial buildings, "First Rate" energy efficient rating system.

23. Power Plus

230 Liverpool St. Hobart 7000
Ph.03 – 6231 5377 Fax.03 – 6231 5438
powerplus@southcom.com.au

Supplier of alternative energy products, photovoltaic modules for remote and grid connection. Wind turbines, micro hydro turbines and solar hot water, inverter batteries, energy efficient fridges and more..

24. Peter Scott Architects

845 Huon Rd. Fern Tree 7054
Ph/Fax.03 – 6239 1685
peterscottarchitect@bigpond.com

Modern house designs tailored to individual needs, Responsiveness to environmental concern, innovation, passive solar design, contextuality, and energy efficient technologies.

25. Mark The Spark

Po Box 37. Snug 7054
Ph.03 – 6267 4141
markthespark@tassie.net.au

Solar hot water systems / Grid connected photovoltaics. Hydro systems, Wind systems Composting toilets and Bio Non Toxic Paints and much more....

26. Independent Energy Advisory

Services 30 Victoria Esp. Bellerive 7018
Ph/Fax.03 – 6244 1245
mastersa@southcom.com.au

Arthur Masters. Advice on the wise and economical use of energy in your home and considerations required before briefing the designer and builder of your passive solar home or renovation.

27. Australia and New Zealand Solar Energy Society /ANZSES

Po Box 121. Sandy Bay 7005

Promoting wise use of solar products and advances in solar house design, hotwater, photovoltaics and wind power

28. Alternative Technology Association

C/- Mark The Spark see above

Information and publications on a huge range of issues.

29. School of Geography and Environmental Studies /Uni of Tasmania

GPO Box 252 –78. Hobart 7001
Ph.03 – 6226 2390 Fax. 03 – 6226 2989

Collection of posters prepared by post graduate students on environmental issues.

31. Pellet Fires Australia

Debbie Rainbow Tasi contact
Ph.6330 1697
nwh@pelletfires.com.au

A wood fire that is totally automated, convenient and environmentally responsible!
No Mess No Fuss No Hassles

32. Austec Marketing

PO Box 2011. Kingston 7051
Ph.03 – 6260 6227
Fax.03 – 6260 6206

Soladey 2 TM A toothbrush for the 21st Century!
Toothpaste not necessary. Scientifically proven advanced technology in oral hygiene, light activated, reduces plaque, decay, gum disease and bad breath.

33. Pantehnicon

GPO Box 283. Hobart 7001
Ph.03 – 6239 6312
pantehnicon@bigpond.com.au

Brad Mashman, resource recovery. The availability and use of reuse materials for buildings and the environmental benefits.

34. Environmental Defenders Office

131 Macquarie St. Hobart 7000
Ph.03 – 6223 2007 Fax.03 – 6223 2074
edotas@trump.net.au

The actions individuals and communities can take if unhappy about planning decisions; negotiating the planning process and appealing council decisions, how planning schemes protect the land, air, water and other natural values

35. Earth Garden
