

Mini-Swap at the Sustainable Living Expo 2009

HOW IT WORKS:

- 1. Bring up to 3 items of clothing or accessories (accessories include; scarves, hats, shoes, belts, bags, but strictly no jewellery please) that are in a excellent condition.** Bring quality items that someone else will actually want to wear.
- 2. Clothes and accessories MUST be clean and MUST NOT be torn, stained, smelly or damaged in any way. Please do not bring underwear or swimwear to the swap.** The standard of clothing you bring is what you should hope to receive.
- 3. Your clothes will be inspected when you pre-register for your ticket at the Film Space at the expo between 12.00 – 2.00 pm.** For this event, spaces are limited to the first 50 registrations. You will receive an equivalent amount of credits for your approved items (i.e.; 2 items of suitable clothing = 2 credits). You can then use those credits to purchase the corresponding amount of items that were approved.
- 4. Arrive at the Workshop Space just prior to 2.30pm when the doors will open.** You can then peruse the items at your leisure. There will be no change-room facility at this event, so you may like to come prepared wearing bathers or similar under your clothes in case you would like to try something on. We also ask that you neatly replace any items that don't fit or aren't quite right.
- 5. Once you have chosen your 'new' items, you can purchase them on the way out with your credits.**
