

sustainable living EXPO

5-6/11/2011

REGISTRATION FORM

Now in it's 13th year, Tasmania's Sustainable Living Expo (SLE) showcases creativity and innovation in our community. SLE is an annual event which showcases environmentally sustainable ideas, products and practices to help people live more lightly on the Earth.

SLE is coordinated by Sustainable Living Tasmania, a not-for-profit organisation based in Hobart. We work alongside Tasmanians to improve the sustainability of our homes, communities and businesses.

All aspects of sustainable living are invited to participate: energy, waste, water, building, homewares, education, entertainment, arts and community.

Send your registration forms in today!

The earlier you register the more opportunity there is for your participation to be promoted.

Registrations Close on Friday 30 September 2011.

Be part of the pinnacle event in Tasmania that celebrates creativity and innovation in our community.

The Sustainable Living Expo encourages positivity and community interaction while offering a well-organised, highly publicised event that is free to the public and affordable for exhibitors.

With huge crowds (over 10,000 in 2010), a vibrant festival program, kids activities, interactive workshops, music, art and more. Be sure to get your registration form in early – SLE 2011 is an event you don't want to miss!

WORKSHOPS/TALKS

I would like to present a workshop/talk

Title

Please attach a description of what will be covered in 30 words or less so that we can publicise it on our website.

Length 1/2 hour 45 mins

Preferred day and time

Data projector required

I would like to present a talk at my display space

YOU NEED TO KNOW

We reserve the right to decide whether your exhibit or workshop meets the objectives of the Expo and whether it will be accepted.

Spaces will be allocated on a first in, first served basis. Priority will be given to sponsors and people who have returned their completed registration forms (with full payment and completed business descriptions).

Cancellations must be made in writing. No registration fees will be refunded for cancellations after 4pm Friday 7 October 2011.

Please consider our family audience when compiling your display materials. We can ask you to remove anything, which may cause offence or is not in line with the values of the event.

SLE aims to demonstrate sustainability in every aspect of the event. Please ensure biodegradable materials are used for serving all food items and minimise the amount of paper and other materials that you give out.

Set-up for exhibitors will be from 9–5pm on Friday, 4 November. Vehicles will have access to the site at this time.

Any materials that are erected more than 2.5m high, will need prior consent from the Expo Coordinator. Fees may apply if approval is given.

The exhibitor retains all risk and is responsible for any loss or damage that occurs (including on hired materials).

Please be aware that exhibitors can use only the display area that they have paid for. If you use extra space during the event you will be charged for it.
